SERVICE DE NETTOYAGE

This color palette is inspired by the freshness of water and foam. The deep turquoise, aqua, teal and soft white colors creates a beautiful visual balance between cleanliness, professionalism and friendliness. The palette also evokes a sense of freshness, feeling of trust and simplicity.

The flowing script and soft rounded curves of the word "Charm" create a warm and approachable feel, adding a sense of personality, trust, and human connection to the brand.

The clean sans serif typography of "Service de Nettoyage" brings structure and balance to the logo.

The star element symbolizes the sparkling results of a professionally cleaned space.

Logo gives an overall sense of friendliness, cleanliness and professionalism.

"C" + star, this icon will mostly be used as profile picture on social media.
